

## Ask Rosalind 2008

By Rosalind Wiseman

August 2008

### Rosalind Recommends

I'm always encouraging parents of every faith to show their kids how their religious values translate into everyday life, which is why I'm a fan of the new magazine *KidSpirit*. It was created by and for 11- to 15-year-olds of all traditions. It challenges them to use spiritual concepts to examine their culture.
